Dear Mr. Mortensen:

Please find enclosed a copy of the Mined Land Reclamation, General Rules and Regulations, Title, 40-8, Utah Code Annotated 1953. The particular areas of concern that you should note have been marked, page 64 and starting on page 85 through page 94. Also find enclosed an MR Form 4 which must be completed and returned to the Division of Oil, Gas and Mining to declare your exemption under the code.

Please be advised that should your proposed operation on BLM land expand beyond the two (2) acre limitation you will be required to file an MR-1, Notice of Intent to Commence Mining. Due to the time requirements of the Division, any mine plan must be submitted at least 90 days prior to the anticipated increase in activity.

Thank you for your call and I hope this will help you out. If you have any questions feel free to call me.

Sincerely,

Cyril J. Young
